Chapter 1

Introduction

1.1 Motivation

Wildlife tourism can be an **eco** and animal friendly tourism, usually showing animals in their natural habitat. Wildlife tourism, in its simplest sense, is watching wild animals in their natural habitat. Wildlife tourism is an important part of the tourism industries in India . has experienced a dramatic and rapid growth in recent years worldwide and is closely aligned to eco-tourism and sustainable-tourism.

We will try to make enhance the wildlife Tourism

1.2 Real Example

We are motivated from the site www.tourmyindia.com. This site is a real huge repository of tour and Package. But they not concentrated on wildlife . In our implementation we are concentrated on wildlife and forest in india..
